LADIES WEEKEND

More than just a promise!
WWW.TARARUA.COM | 0800 TARARUA

GRAB THE GIRLS AND GO!

You are so busy. Everyone in your life depends on you. Needs you. Makes demands of you. You get pushed to the limit and sometimes you just need to take a breath - but there's no time.

Time to let the family take care of itself for the weekend while you recharge your batteries. Time to linger over coffee, try on all the clothes in the store, wander, pause, breathe. Feel welcome. Let go. **You can do it - pick a weekend.**

Questions begin to race to your mind. Where do you go? What do you do? Maybe settle for the SAME OLD, SAME OLD? The same old shops and the same boring restaurants? STOP! We know a place with all the answers....

A place that will surprise you with its simplicity but thrill you with its style. A place that is seen to be an important stop on the lower North Island antiques trail - so you can lose yourself in an eclectic world of treasures while trying to find that perfectly quirky and novel piece.

Come to the place where there is serious fashion and valuable advice from industry experts who make the time to really listen to your needs. Come to the place where you can be pampered with a facial or a shiny manpedi, in a salon that is happy to open just for you. Come to a place where you can linger over long dinners in award-winning restaurants and glow in the warmth of exquisite coffee the next morning.

Chick, you need a break - this is where you will find one!
